

## **Prospectus for *Materialized: Juried 3D Printed Art***

The University Art Gallery at Central Michigan University is pleased to sponsor a juried exhibition of 3D printed art work to celebrate the opening of the Makerbot Innovation Center at the university.

### **Exhibition Dates: January 13 – February 11, 2017**

#### **Juror:**

Joshua Harker is a well-known American artist and considered a visionary and innovator in 3D printed art and sculptures. See more about him and his work at [www.Joshuaharker.com](http://www.Joshuaharker.com)

#### **Eligibility**

The exhibition is open to all artists. Artists must use 3D printing in the production of their work of art. The work must be original and created in the past two years. Works must be able to fit through a door way that is 75 x 64 inches.

#### **Awards**

At least \$1,500 will be awarded. Juror will select awards from the actual works at the University Art Gallery prior to the opening reception.

#### **Shipping**

Artists will be responsible for delivery costs and insurance of the art work in transit. Shipped works will be returned with prepaid shipping label from the artist.

#### **Entry**

Will be done through CaFÉ - Call for Entry <https://www.callforentry.org>  
\$35 entry fee for up to three entries. Please enter with jpg images.

#### **Dates**

November 28, 2016 – deadline of entry through café.

December 7, 2016 – notification of jurying results

January 2 – 6, 2017 – receiving of accepted work at University Art Gallery

January 12, 2017 – opening reception for *Materialized: Juried 3-D Printed Art*.
